Elevating Residential Architecture in Harrogate

A Grace and Morris, we believe that home is more than just a place, it's a sanctuary, a statement, and a reflection of your lifestyle. Located on Parliament Street, our Harrogate based practice is known for innovation, craftsmanship and quality.

Our unusual high street presence is not just convenient, it provides reassurance. When you visit our office, you'll experience the quality and care behind our work.

We showcase the latest in home automation, cutting edge design methods, and a curated approach to the design of your property. Our approach. With our portfolio and case studies on display, clients can explore our past projects and the principles behind our design.

Expertise Across Every Project

We offer a wide range of services tailored to homeowners at every life stage, from urban homes to rural retreats, and properties in protected areas.

Our planning expertise allows us to navigate complicated planning processes and gain planning permission in areas of Outstanding Natural Beauty (ONB). Whether it's securing planning permission or working within listed building constraints, we ensure your project meets local requirements and regulations, and design.

Full Renovations & Extensions: Maximise your property's potential with designs that enhance space, light, and functionality.

New Builds: Create a custom home tailored to your lifestyle and environment.

Sustainability-Focused Designs: Use eco-friendly materials and energy efficient systems for beautiful, responsible design.

Interior Design Consultation: From layout to finishes, we ensure every detail suits your needs and your budget.

Heritage & Listed Building Work: Expert restorations that respect your home's character while bringing it up to modern standards.

Why Choose Grace and Morris?

With decades of experience, we combine form and function to create designs that are both beautiful and practical. Every project is a collaboration between our architects, clients, and the unique characteristics of each property.
